Low Vision Writing Paper: Bold Half-Inch Ruled Sheets

Original tasks 1, 2 / independent work

Task 1

A sheet has three half-inch rows. Measure the distance between the first and second rules and state whether it matches the half-inch spacing.

Task 2

A writer copies 'cat' on a row but the letter 'a' does not reach the midline. Using the baseline-to-midline convention, describe one correction and one check.

Original tasks 3, 4 / independent work

Task 3

A printed sheet shows a bold left margin line but the first horizontal rule is faint. State one fix and one visibility check.

Task 4

A practice sheet has four rows. A writer copies a short sentence across two rows, starting each line just right of the margin. State one spacing check and one margin check.
