Staff and Ukulele Tab Paper: Write Melody in Both Notations

Original task 1 / independent drawing and calculation

Task 1

On a hypothetical ukulele in standard reentrant tuning with open pitches G4, C4, E4, and A4 on strings 4, 3, 2, and 1, write a two-measure melody using E4 and F4 as quarter notes, three beats per measure. Transfer to tab and include one quarter rest per measure.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Staff and Ukulele Tab Paper: Write Melody in Both Notations

Original task 2 / independent drawing and calculation

Task 2

A melody uses A4, B4, and C5 as eighth notes, four eighth notes per measure over two measures. Using the hypothetical standard reentrant tuning above (G4, C4, E4, A4 on strings 4, 3, 2, 1), write the staff and tab. Choose any valid string positions and state why.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Staff and Ukulele Tab Paper: Write Melody in Both Notations

Original task 3 / independent drawing and calculation

Task 3

Design a four-measure paired system with three beats per measure. Use only C4, E4, and G4 quarter notes and rests. Write the staff plan and a valid tab plan using the hypothetical standard reentrant tuning (G4, C4, E4, A4 on strings 4, 3, 2, 1).

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Staff and Ukulele Tab Paper: Write Melody in Both Notations

Original task 4 / independent drawing and calculation

Task 4

A learner writes G4 as string 4 fret 2 and A4 as string 4 fret 0. Using the hypothetical standard reentrant tuning (G4, C4, E4, A4 on strings 4, 3, 2, 1), identify the error and give a corrected tab for a one-measure melody of G4, A4, G4, A4 as quarter notes with four beats.

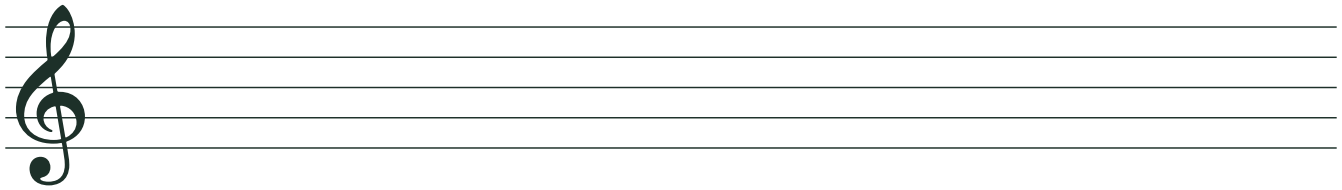

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
