Organ Staff Paper: Three Manual Staves Plus Pedal Layout

Original worked example / unchanged complete key

Prompt: Sketch a four-measure organ system with three manual staves and one pedal staff. Place one note per measure on each staff, add clefs and a Pedal label, and write a short registration line above the manual group.

Answer: The sketch shows four staves of equal length. The top three are grouped closely with treble clefs on staves one and two and a bass clef on staff three. A larger gap separates the bottom staff, which has a bass clef and the label Pedal. Bar lines cross the manual group and the pedal staff at the same four measure positions. Above the manual group, the registration line reads Swell to Great and Pedal 16. Each staff contains four notes, one per measure, and all bar lines align vertically.
