Handwriting Pangram Practice: Copy Lines for Every Letter

Original tasks 1, 2 / independent work

Task 1

Copy the pangram 'The five boxing wizards jump quickly.' onto a blank line. Then list every letter that appears more than once in the pangram.

Task 2

Copy the pangram 'Sphinx of black quartz, judge my vow.' and mark every descending letter with a small dot below the baseline. Then state how many descending letters you marked.

Handwriting Pangram Practice: Copy Lines for Every Letter

Original tasks 3, 4 / independent work

Task 3

Copy the pangram 'Pack my box with five dozen liquor jugs.' twice on two separate blank lines. Compare the two copies and write one sentence describing a difference in letter height or spacing.

Task 4

Copy the pangram 'The five boxing wizards jump quickly.' and then check it with the rubric. Give a total score out of 15 and name the criterion with the lowest score.
