Copy-work zone: 6 lines, hypothetical 9 mm ruling, solid lighter midline.

Third-Grade Writing Paper: Ruling, Spacing, and Layout Guide

Paragraph zone: 6 to 8 ruled lines with indent cue

Paragraph zone: 8 lines, indent cue, hypothetical 9 mm ruling.

Third-Grade Writing Paper: Ruling, Spacing, and Layout Guide

Original tasks 1, 2, 3 / blank responses

Task 1

A hypothetical page is 200 mm wide with a 25 mm left margin and a 20 mm right margin. What is the usable writing width?

Task 2

A writing area is 180 mm tall. The header takes 30 mm. If line spacing is 10 mm, how many full lines fit?

Task 3

A hypothetical layout uses 8 mm line spacing and a midline 4 mm above the baseline. A letter body is 4 mm tall and an ascender adds 4 mm. Does the ascender reach the top line if the top line is 8 mm above the baseline?

Third-Grade Writing Paper: Ruling, Spacing, and Layout Guide

Original tasks 4 / blank responses

Task 4

A page has a 12-line paragraph zone and a 6-line copy-work zone. If each line is 9 mm tall, what is the total ruled height of both zones before gaps?
