Pumpkin-Themed Lined Writing Paper: Layout and Practice

A4 portrait layout: margins, header zone, writing zone, baselines, midline

Hypothetical A4 portrait example: 20 mm left, 15 mm right, 25 mm header, 8 mm spacing, 180 mm writing zone.

Layout 1; printed/source scale 0.54045:1

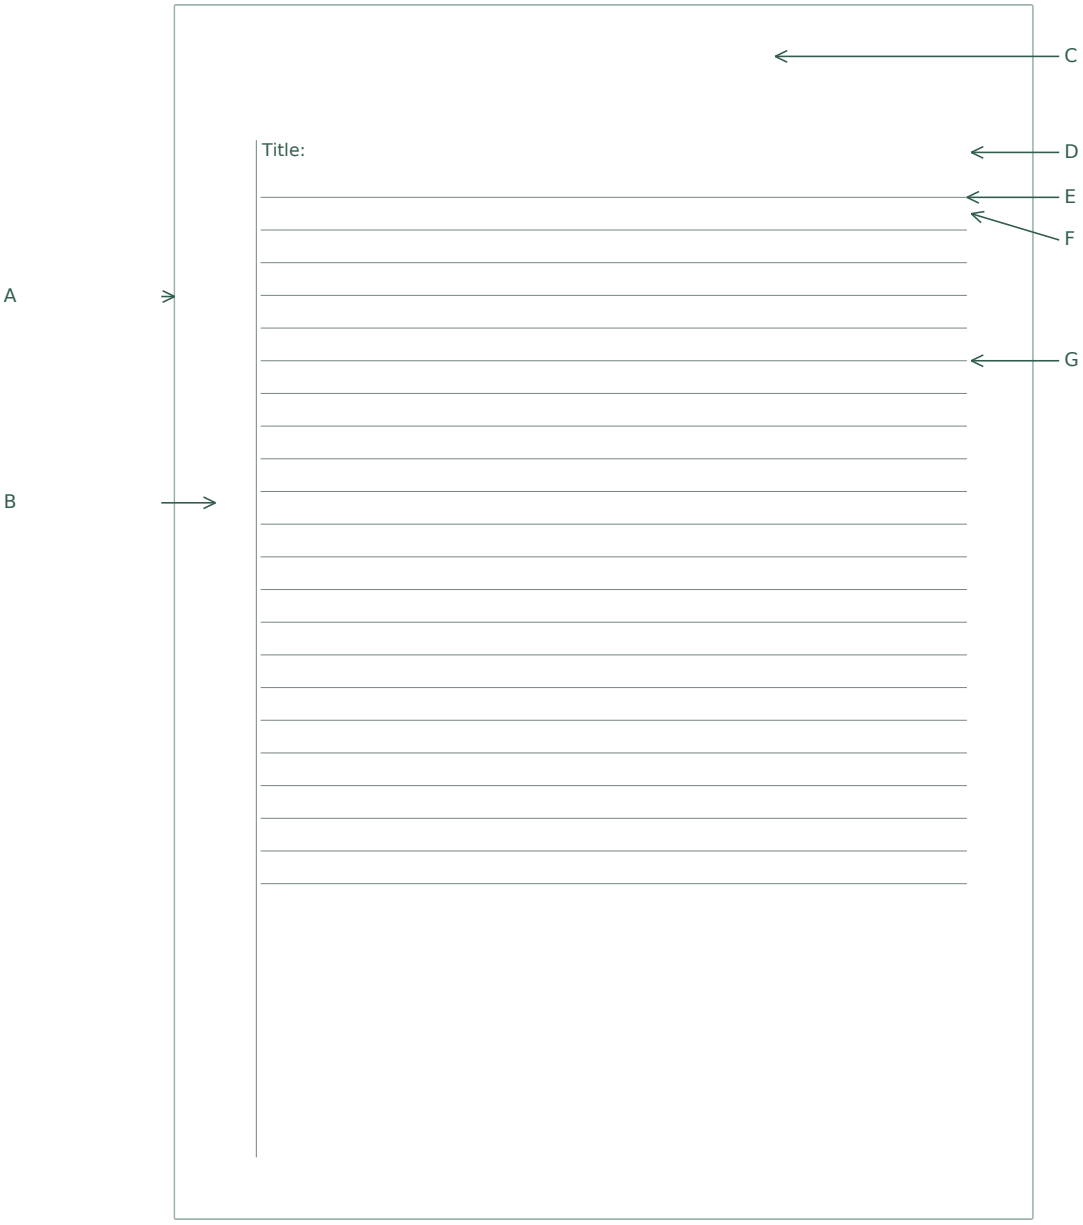

A = Page edge; B = Left margin; C = Top margin; D = Header band; E = First writing rule; F = Writing-rule gap; G = Writing field

Baselines at 33, 41, ... 201 mm from top; midline 4 mm above each baseline (x-height convention). Decoration frame sits outside the 20/15 mm writing margins.

Pumpkin-Themed Lined Writing Paper: Layout and Practice

Border-only alternative with clear writing zone

Border-only: pumpkin frame along all edges, no header pumpkin; writing zone unchanged.

Layout 1; printed/source scale 0.54045:1

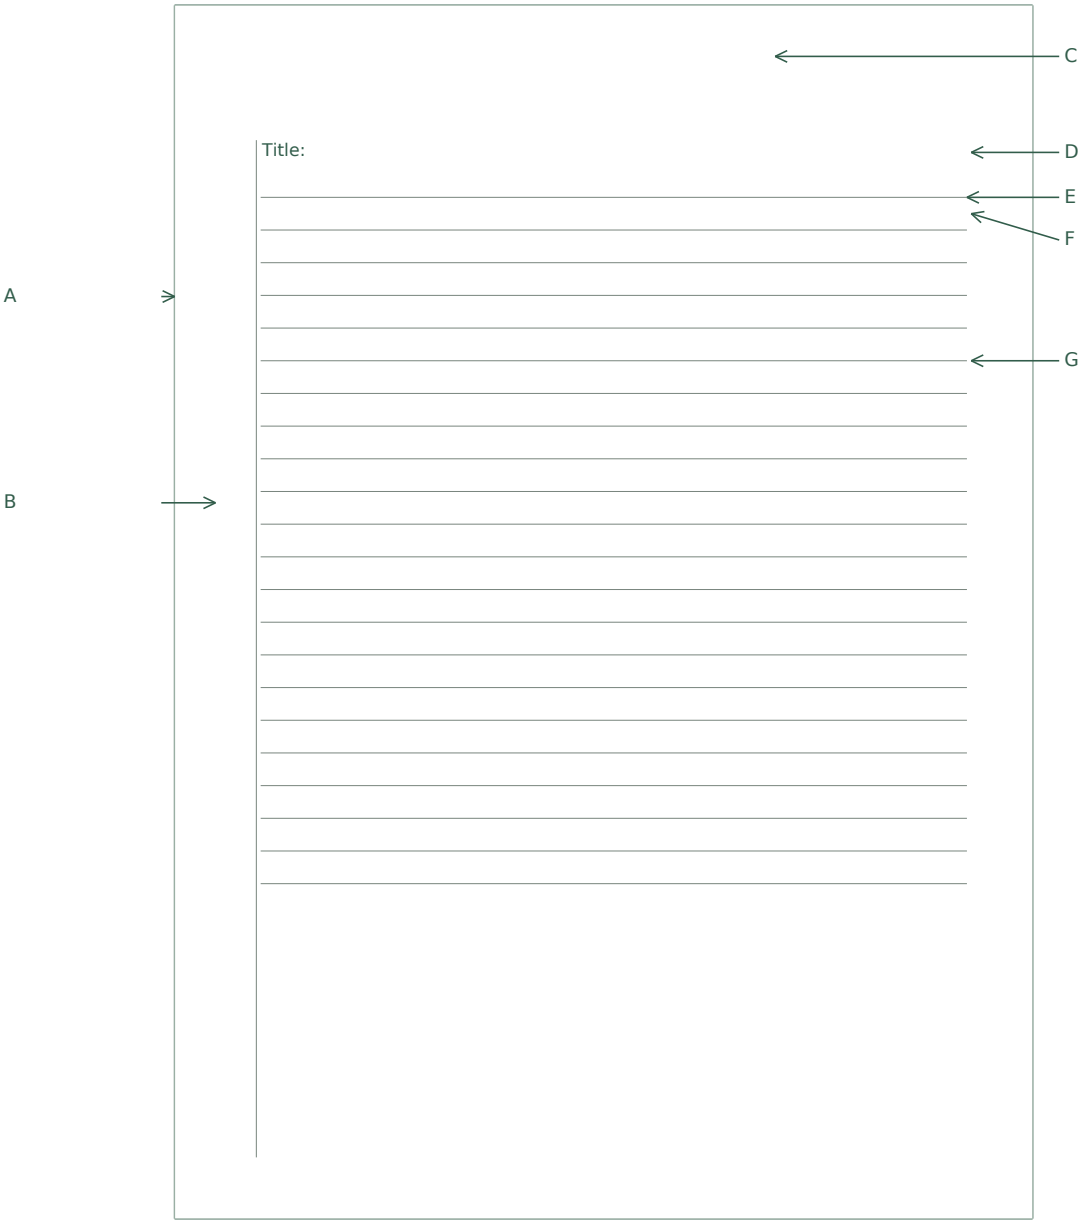

A = Page edge; B = Left margin; C = Top margin; D = Header band; E = First writing rule; F = Writing-rule gap; G = Writing field

Frame decoration only; no header pumpkin. Writing zone clear.

Pumpkin-Themed Lined Writing Paper: Layout and Practice

Header-only alternative with clear writing zone

Header-only: one pumpkin above the title line; no edge border.

Layout 1; printed/source scale 0.54045:1

A = Page edge; B = Left margin; C = Top margin; D = Header band; E = First writing rule; F = Writing-rule gap; G = Writing field

Header pumpkin above title line; no edge border. Writing zone clear.
