Voice and Piano Grand-Staff Paper: Layout Guide

Original tasks 1, 2 / independent work

Task 1

Hypothetical values: stave height 7 mm, piano gap 5 mm, vocal gap 10 mm, system gap 15 mm. Calculate the height of one system.

Task 2

A system is 120 mm wide with 4 equal measures. What is the distance between adjacent bar lines?

Voice and Piano Grand-Staff Paper: Layout Guide

Original tasks 3, 4 / independent work

Task 3

Usable height is 200 mm. Each system is 40 mm and each inter-system gap is 20 mm. How many systems fit if gaps are only between systems?

Task 4

A draft braces all three staves and prints clefs only on the first system. State two corrections and one check.
