Vowel Digraph Word Sort and Writing Worksheet: ai, ea, oo

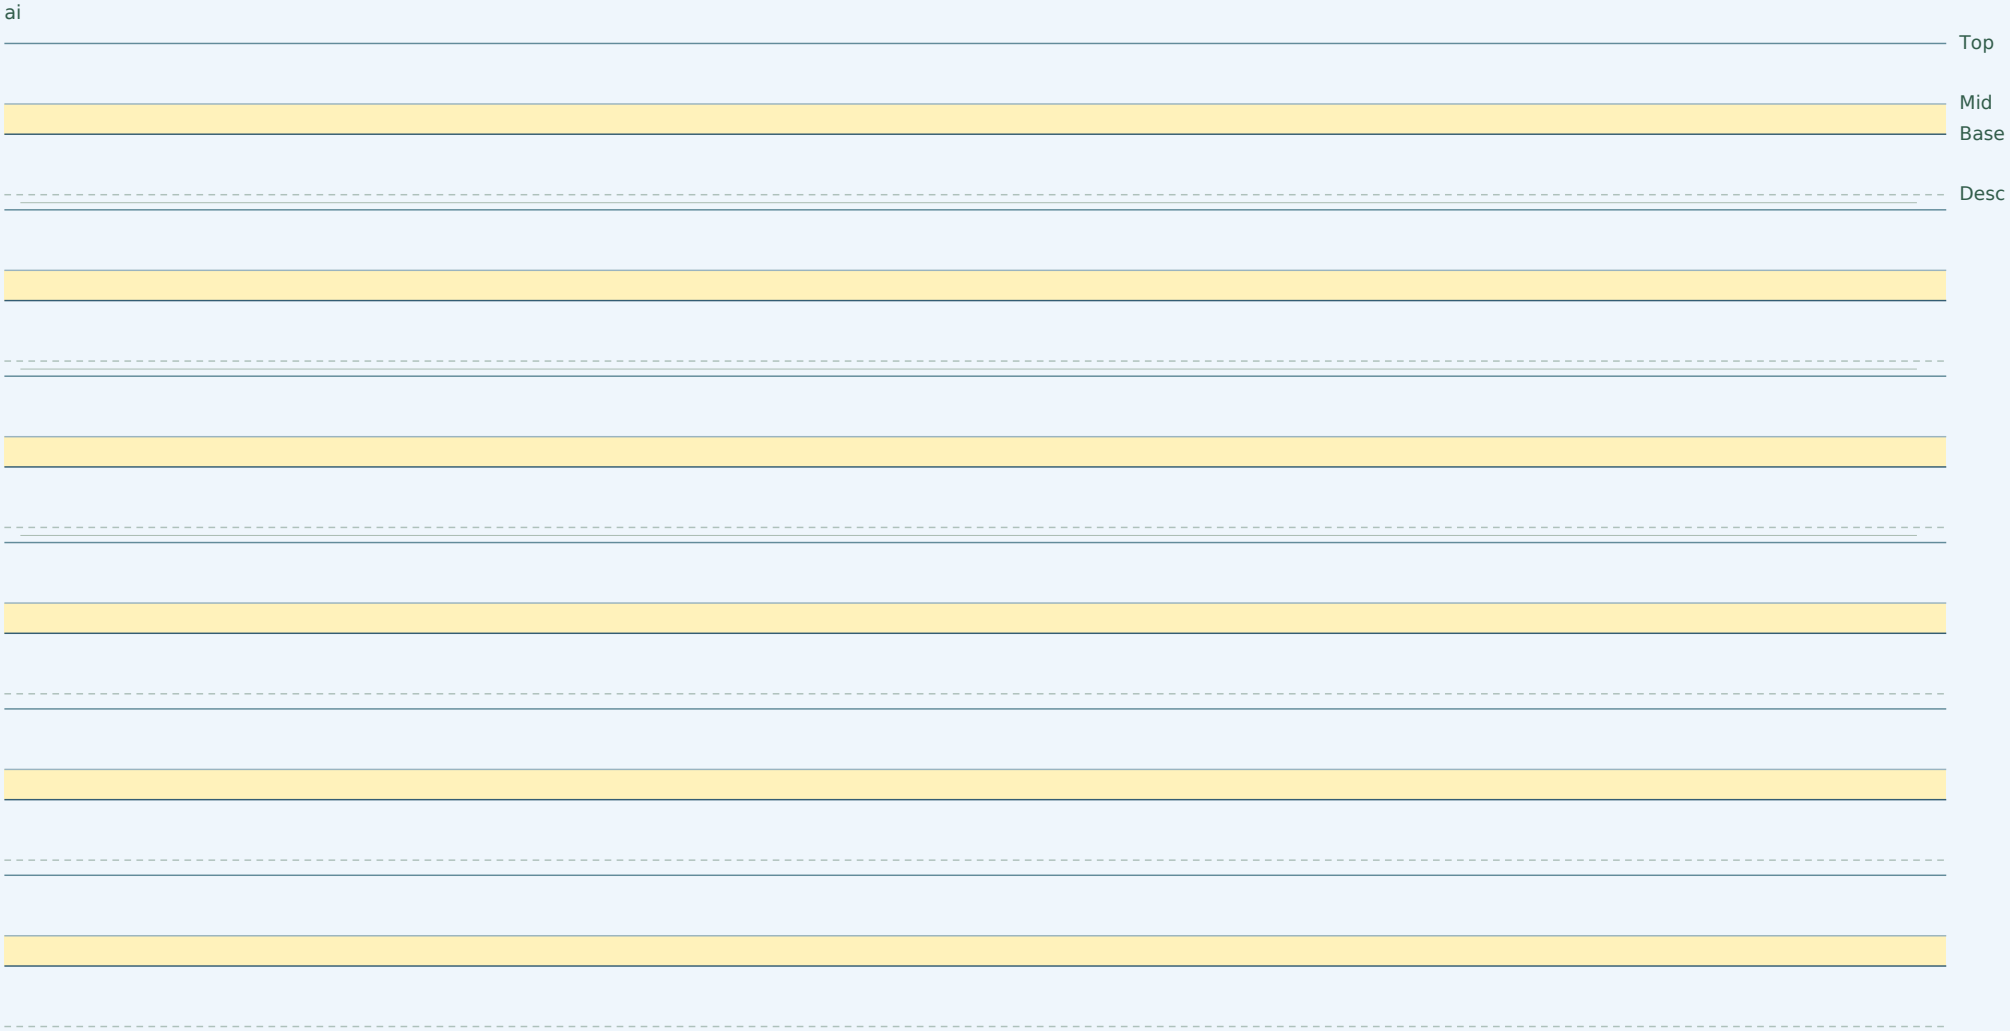

Sample writing line: baseline, midline, x-height

Reference diagram: baseline and midline labeled; o sits between them; l extends above midline.

Vowel Digraph Word Sort and Writing Worksheet: ai, ea, oo

Three empty sorting columns: ai, ea, oo with writing lines

Three labeled columns ai, ea, oo; writing lines beneath each.

Vowel Digraph Word Sort and Writing Worksheet: ai, ea, oo

Worked example: rain, team, moon

rain under ai; team under ea; moon under oo.

rain goes under ai; team goes under ea; moon goes under oo. Each copied word should be legible, with the vowel digraph clearly visible. Under the convention, the a in rain and the e in team sit between baseline and midline; the oo in moon is two lowercase o letters between baseline and midline.
