Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

Original task 1 / independent drawing and calculation

Task 1

Plot (4, 3) and state its quadrant.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

Original task 2 / independent drawing and calculation

Task 2

Plot $(-2, -5)$ and state its quadrant.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

Original task 3 / independent drawing and calculation

Task 3

Plot (0, 6) and state whether it lies in a quadrant.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

Original task 4 / independent drawing and calculation

Task 4

Plot (5, −1) and its reflection across the x-axis. State both ordered pairs.

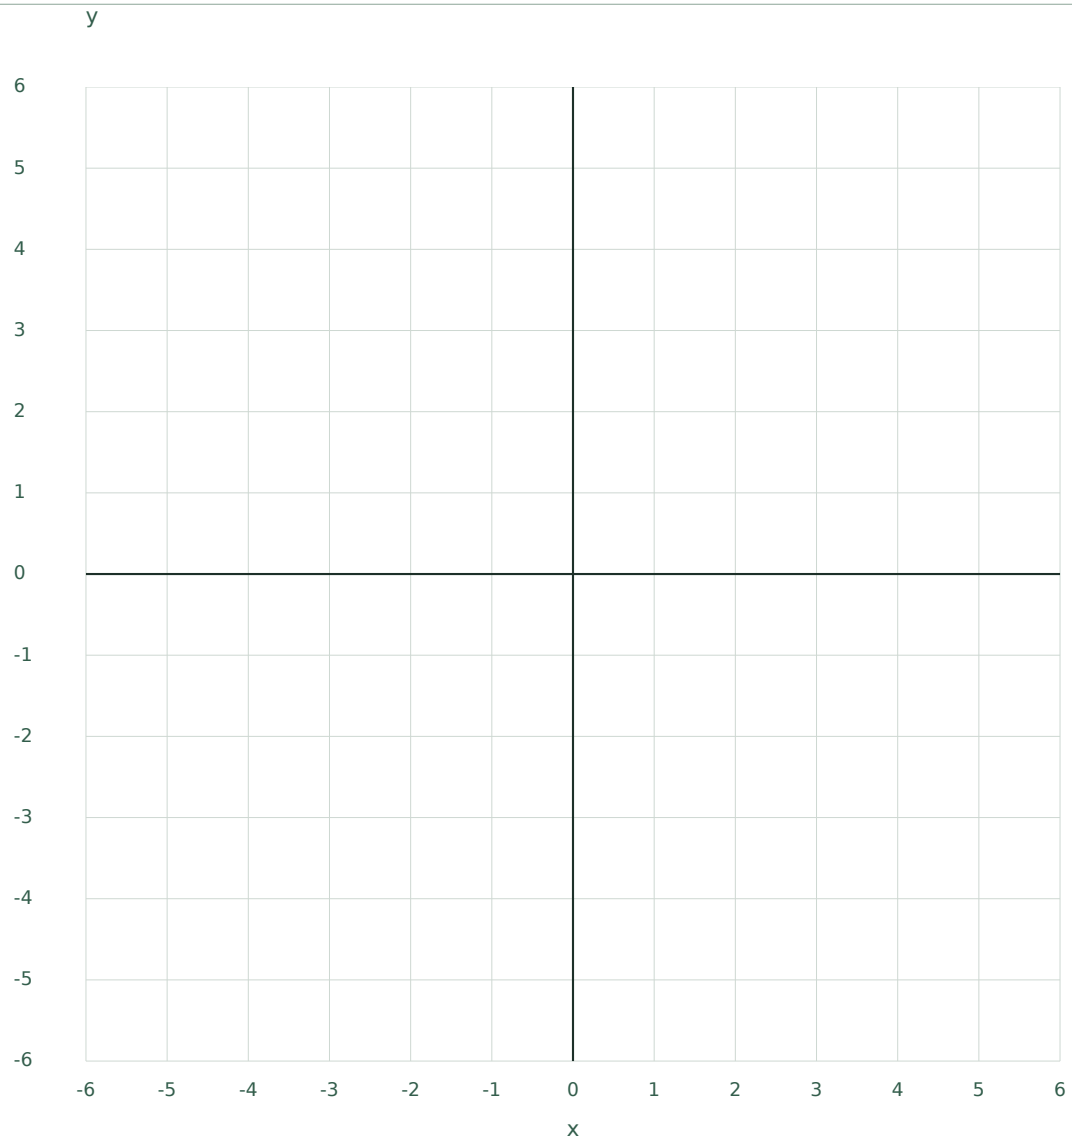

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

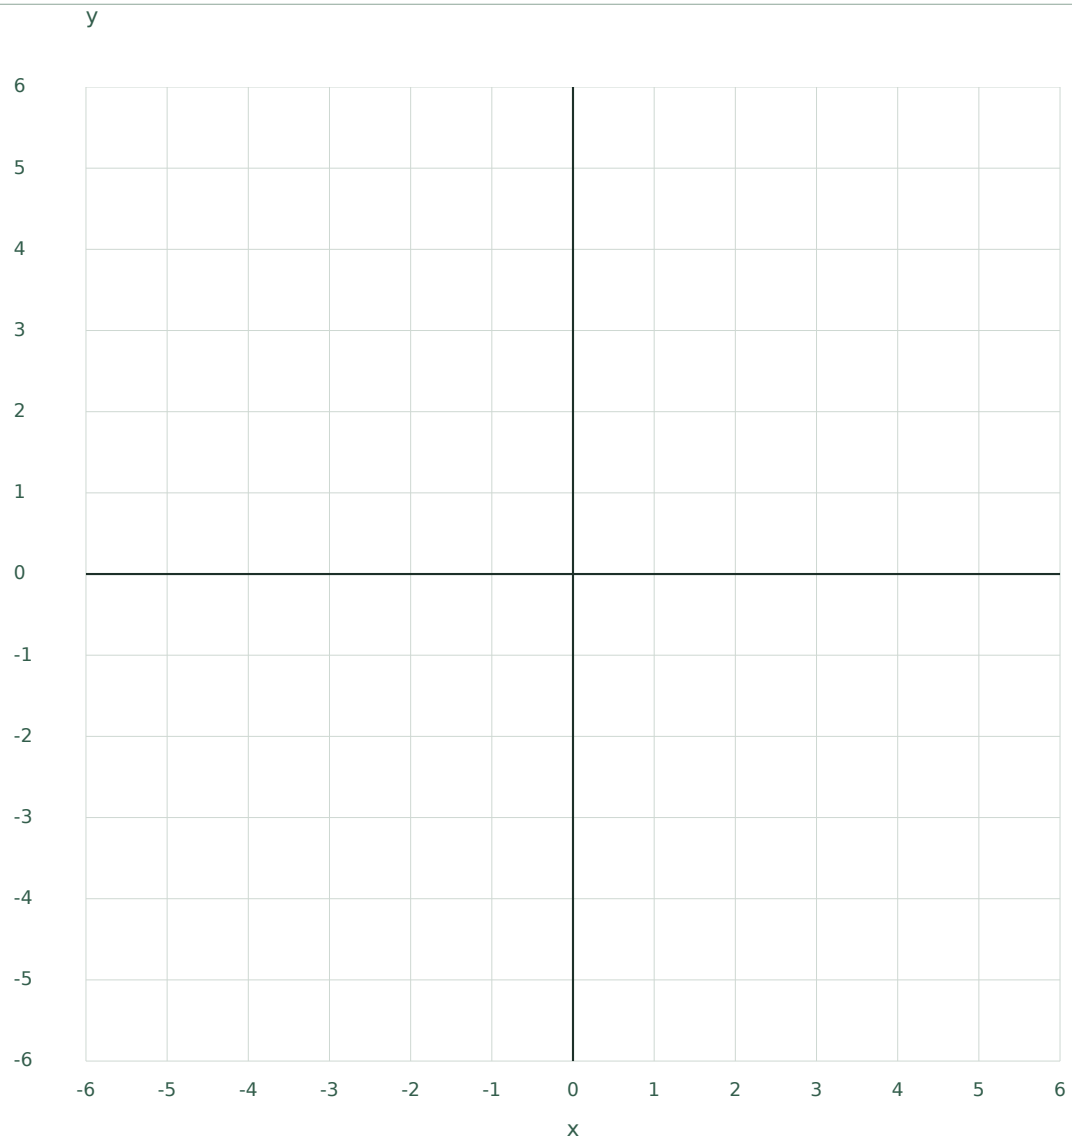

Blank labeled coordinate plane for plotting (4, 3)

Blank student plane with labeled axes and unit grid; no plotted points.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

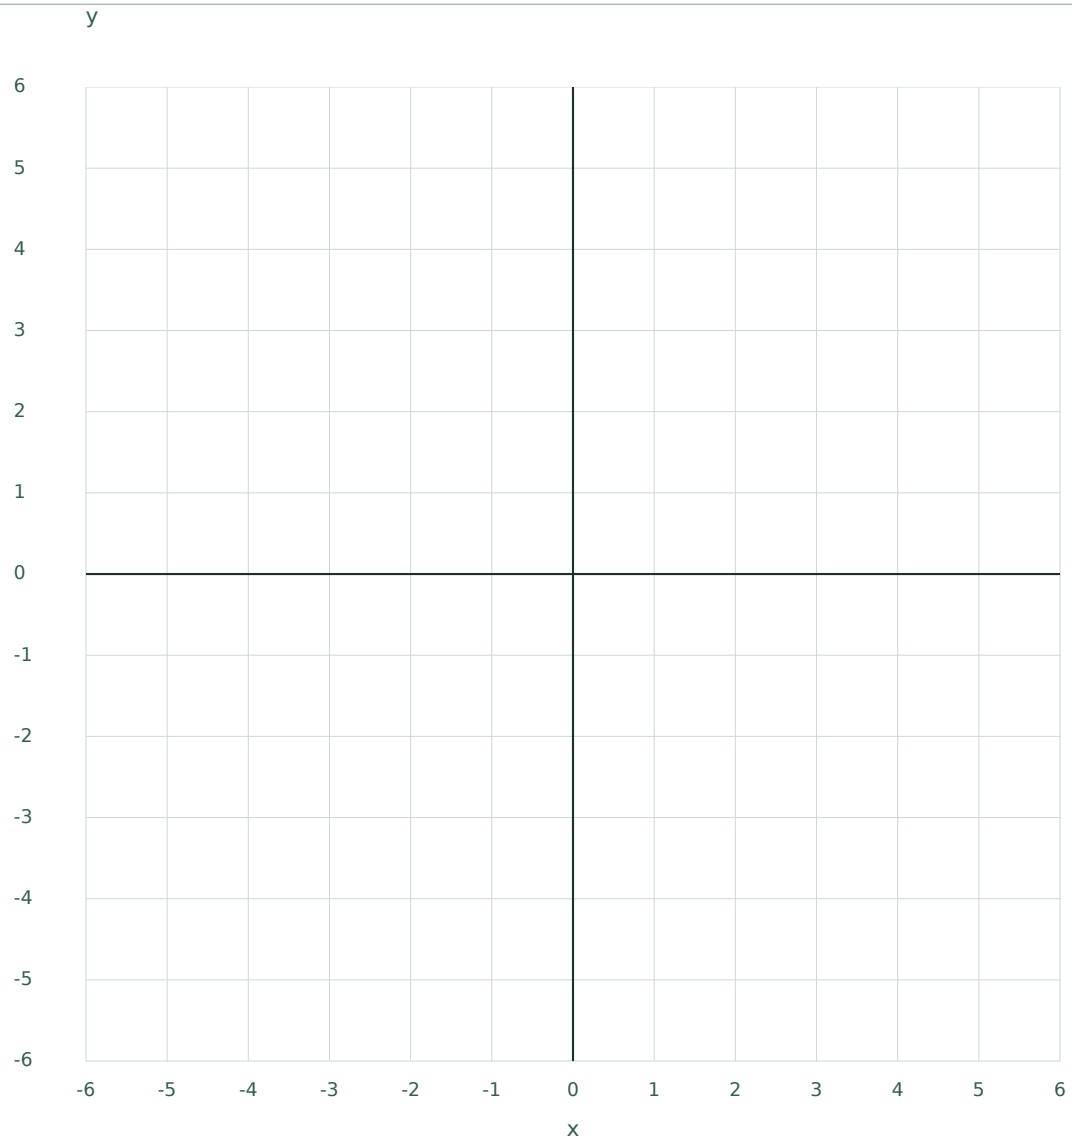

Blank labeled coordinate plane for plotting (−2, −5)

Blank student plane with labeled axes and unit grid; no plotted points.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

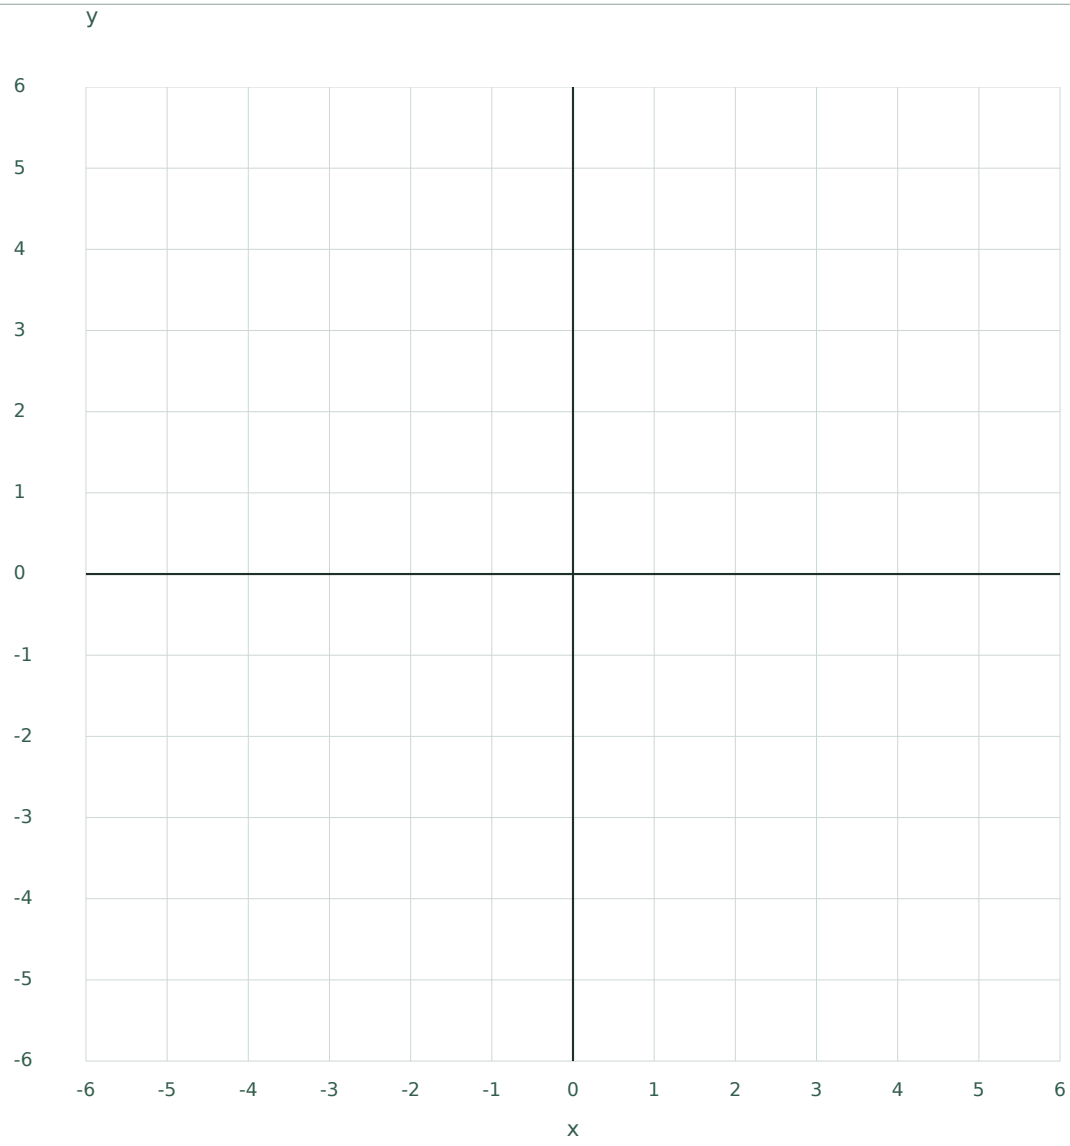

Blank labeled coordinate plane for plotting (0, 6)

Blank student plane with labeled axes and unit grid; no plotted points.

Coordinate Plane Paper for Algebra: Plotting Practice with Labeled Axes

Blank labeled coordinate plane for plotting (5, −1) and its reflection

Blank student plane with labeled axes and unit grid; no plotted points.
