Draw a Lunch Still Life: Food Shapes and Basic Shading

Original task 1 / independent drawing and calculation

Task 1

Draw a lunchbox rectangle 18 cm by 12 cm. Place a triangle sandwich with base 8 cm and height 6 cm at back-left, a 6 cm circle fruit at front-right, and a cylinder drink 4 cm wide and 7 cm tall at back-right. Use light from the upper left and add shading.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Lunch Still Life: Food Shapes and Basic Shading

Original task 2 / independent drawing and calculation

Task 2

Redraw the same lunch still life but move the light source to the upper right. Keep the same food shapes and arrangement. Describe how the shading changes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Lunch Still Life: Food Shapes and Basic Shading

Original task 3 / independent drawing and calculation

Task 3

Draw a lunch still life with a rectangular sandwich instead of a triangle, a oval fruit instead of a circle, and a drink cylinder. Use light from the upper left. Keep gaps between items.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Lunch Still Life: Food Shapes and Basic Shading

Original task 4 / independent drawing and calculation

Task 4

Draw the lunch still life and add a small label for each food item. Use the x-height convention: lowercase letters sit between baseline and midline. Check that your labels do not overlap the food shapes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
