# Draw Zeus: Beard, Drapery, and Thunderbolt Construction

Original task 1 / independent drawing and calculation

## Task 1

Draw a Zeus figure on a 15 cm total height divided into three equal bands. Place a head oval, torso trapezoid, and wider lower drapery. Add a short rounded beard and a thunderbolt in the left hand that does not cross the face.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

# Draw Zeus: Beard, Drapery, and Thunderbolt Construction

Original task 2 / independent drawing and calculation

## Task 2

Draw a Zeus figure with a medium pointed beard and two drapery masses: a shoulder drape and a lower skirt. Use a hypothetical thunderbolt length of 4 cm on a 16 cm figure. Describe where the prop is placed.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

# Draw Zeus: Beard, Drapery, and Thunderbolt Construction

Original task 3 / independent drawing and calculation

## Task 3

Draw a Zeus figure with a long forked beard and three drapery masses. Add a thunderbolt in the right hand. Check that the beard does not cover the entire torso and the prop has a clear handle grip.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

# Draw Zeus: Beard, Drapery, and Thunderbolt Construction

Original task 4 / independent drawing and calculation

## Task 4

Draw a Zeus figure on a 20 cm total height divided into three equal bands. Use a rounded beard and a thunderbolt held across the body but below the chin. Check that the thunderbolt does not touch the beard.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

## Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
