Draw a Vampire Figure: Cape, Fangs, and Pose

Original tasks 1, 2 / independent work

Task 1

Draw a vampire figure in a standing pose with both arms at the sides and a cape falling straight down. Use the construction sequence.

Task 2

Draw a vampire figure with one arm extended forward and the cape pulled across the chest. Show two fangs.

Draw a Vampire Figure: Cape, Fangs, and Pose

Original tasks 3, 4 / independent work

Task 3

Draw a vampire figure turned slightly to the side with a cape that billows outward. Include two fangs.

Task 4

Draw a vampire figure seated on a simple block with a cape draped over the shoulders and falling behind. Show two fangs.
