Fall Drawing: Pumpkin, Leaf, and Acorn Construction Guide

Original task 1 / independent drawing and calculation

Task 1

Draw a leaf four units long and two units wide at its widest point. Add a central vein and three side veins on each side. State your light direction and shade with parallel strokes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Fall Drawing: Pumpkin, Leaf, and Acorn Construction Guide

Original task 2 / independent drawing and calculation

Task 2

Draw an acorn two units tall including the cap. The cap should be about half a unit tall and the nut body about one and a half units. Add a small stem on the cap. Use the line convention.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Fall Drawing: Pumpkin, Leaf, and Acorn Construction Guide

Original task 3 / independent drawing and calculation

Task 3

Arrange a pumpkin, leaf, and acorn on one page with at least one unit of space between them. Use the proportions from the guide. Record your unit size and the measured width and height of each subject.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Fall Drawing: Pumpkin, Leaf, and Acorn Construction Guide

Original task 4 / independent drawing and calculation

Task 4

Redraw one of your subjects with a different light direction. Keep the same proportions and line convention. Explain in one sentence how the shading changed.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
