Yogurt Cup Drawing: Rim, Spoon, and Label

Original worked example / unchanged complete key

Prompt: Draw a yogurt cup 6 cm wide and 10 cm tall with a rim band 4 mm wide, a spoon entering from the right, and a label band 1 cm below the rim and 1 cm above the bottom. Use a 2 cm high top ellipse.

Answer: A completed line drawing shows a cylinder 6 cm wide and 10 cm tall, a top ellipse 6 cm wide and 2 cm high, a second ellipse 4 mm above it connected at the sides, a spoon handle entering from the right with a 1.5 cm oval bowl partly visible above the rim, and a label band between 1 cm below the rim and 1 cm above the bottom with a short word written inside. Construction lines are erased and the final outline is darkened.
