Yogurt Cup Drawing: Rim, Spoon, and Label

Original task 1 / independent drawing and calculation

Task 1

Draw a yogurt cup 5 cm wide and 9 cm tall. Use a top ellipse 5 cm wide and 1.5 cm high. Add a rim band 3 mm wide and a label band 1 cm below the rim and 1 cm above the bottom. Place a spoon entering from the left.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Yogurt Cup Drawing: Rim, Spoon, and Label

Original task 2 / independent drawing and calculation

Task 2

A drawing has a top ellipse 6 cm wide and 3 cm high. The rim is a single line. The spoon bowl is completely hidden behind the label. List two fixes and redraw the rim and spoon.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Yogurt Cup Drawing: Rim, Spoon, and Label

Original task 3 / independent drawing and calculation

Task 3

Draw a yogurt cup with a label band that curves with the tub. Write the word MILK inside the label using block letters. Define x-height as baseline to midline and keep all letters inside the band.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

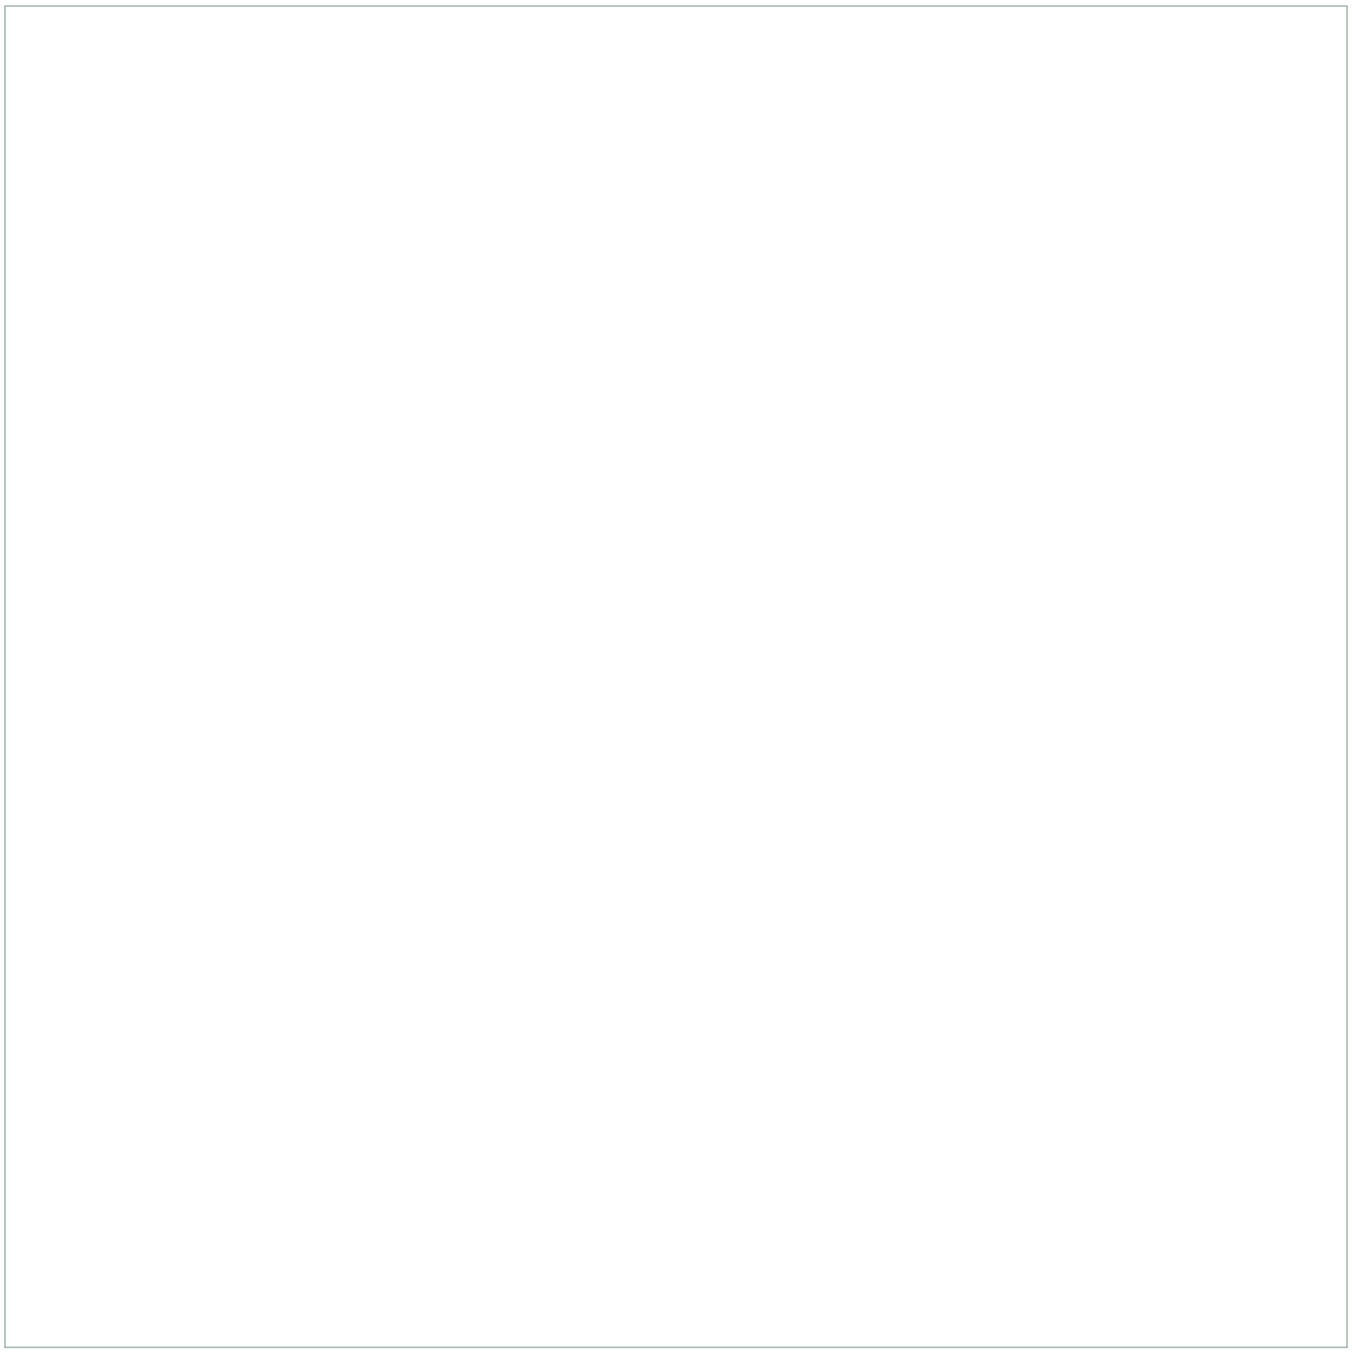

Yogurt Cup Drawing: Rim, Spoon, and Label

Original task 4 / independent drawing and calculation

Task 4

Draw a yogurt cup 7 cm wide and 11 cm tall with a rim band 5 mm wide. Place a spoon entering from the right at a 30 degree angle from vertical. Add a label band 1.5 cm below the rim and 1.5 cm above the bottom. Check that the spoon handle does not touch the label.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
