Arcade Cabinet Front Elevation: A Drawing Guide

Topic reference / ordinary illustration

Ordinary topic reference. Hypothetical dimensions in the four tasks are supplied in their own text; this illustration is not their measured answer.

Arcade Cabinet Front Elevation: A Drawing Guide

Worked example / complete source key

A cabinet front is 160 units tall and 70 units wide. Zones are marquee 25, screen 60, control panel 20 and lower body 55. Check the sum and describe where the coin door goes.

Answer: 25 + 60 + 20 + 55 = 160, so the zones fit. The coin door is a small centred rectangle in the lower body, below the control panel and above the bottom edge.
