Musical Note Drawing: Stem and Flag Practice

Original task 1 / independent drawing and calculation

Task 1

Draw a quarter note with an up-stem. State the stem length you used in note-head heights.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Musical Note Drawing: Stem and Flag Practice

Original task 2 / independent drawing and calculation

Task 2

Draw two eighth notes side by side with up-stems. Keep at least one head-width between them.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Musical Note Drawing: Stem and Flag Practice

Original task 3 / independent drawing and calculation

Task 3

Draw one sixteenth note with an up-stem. Describe where the second flag goes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Musical Note Drawing: Stem and Flag Practice

Original task 4 / independent drawing and calculation

Task 4

A student draws an eighth note with the stem on the left and two flags. Identify two errors and state the fixes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
