Draw Front-View Lips: Outline, Cupid's Bow, and Simple Shading

Original task 1 / independent drawing and calculation

Task 1

Draw a front-view lip outline on a 6 cm midline. Place the cupid's bow at the center and make both peaks equal. Label the cupid's bow and lower-lip curve.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Front-View Lips: Outline, Cupid's Bow, and Simple Shading

Original task 2 / independent drawing and calculation

Task 2

Using your outline from the first exercise, apply three shading steps with one base color. Keep the outline visible and avoid realistic texture.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Front-View Lips: Outline, Cupid's Bow, and Simple Shading

Original task 3 / independent drawing and calculation

Task 3

Measure a drawn lip outline with a hypothetical width of 6 cm and height of 2 cm. Calculate the width-to-height ratio and state whether it matches a 3:1 plan.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Front-View Lips: Outline, Cupid's Bow, and Simple Shading

Original task 4 / independent drawing and calculation

Task 4

Draw a second front-view lip outline using a different base color. Keep the cupid's bow centered and apply the same three shading steps. Record one measurement you used to check symmetry.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
