Black-and-White Flower Drawing: Outline, Tone, and Contrast

Original task 1 / independent drawing and calculation

Task 1

Draw a four-petal flower with a square center. Use a light source from the top. Apply light tone to the top petal, mid tone to the side petals, and dark tone to the bottom petal and center. Keep the outline continuous.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Black-and-White Flower Drawing: Outline, Tone, and Contrast

Original task 2 / independent drawing and calculation

Task 2

Draw a six-petal flower with a small circular center. Use a light source from the right. Apply light tone to the right petal, mid tone to the upper and lower petals, and dark tone to the left petal and center. Add dark accents where petals overlap.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Black-and-White Flower Drawing: Outline, Tone, and Contrast

Original task 3 / independent drawing and calculation

Task 3

Draw a five-petal flower with a large oval center. Use a light source from the lower left. Apply light tone to the lower-left petal, mid tone to the top and right petals, and dark tone to the upper-right petal and the lower half of the center. Keep the outline dark and continuous.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Black-and-White Flower Drawing: Outline, Tone, and Contrast

Original task 4 / independent drawing and calculation

Task 4

Draw a three-petal flower with a triangular center. Use a light source from the upper right. Apply light tone to the upper-right petal, mid tone to the left petal, and dark tone to the bottom petal and the center. Add a dark accent where the left petal overlaps the bottom petal.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
