Pencil Drawing of Interlocked Holding Hands: Overlap, Shading, and Practice

Original task 1 / independent drawing and calculation

Task 1

On a planning sketch, two hands cross at three points. Hand A is over B at the first and third crossings; B is over A at the second. List the drawing order for each crossing.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Pencil Drawing of Interlocked Holding Hands: Overlap, Shading, and Practice

Original task 2 / independent drawing and calculation

Task 2

A finger tube is 12 mm wide at the base and tapers to 10 mm at the tip. A second finger tube is 11 mm wide at the base and tapers to 9 mm at the tip. What is the width difference at the base and at the tip?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Pencil Drawing of Interlocked Holding Hands: Overlap, Shading, and Practice

Original task 3 / independent drawing and calculation

Task 3

You shade a crease valley with 6 short strokes and the knuckle top with 2 short strokes. If each stroke covers 3 mm of length, what total shaded length is in the crease and on the knuckle top?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Pencil Drawing of Interlocked Holding Hands: Overlap, Shading, and Practice

Original task 4 / independent drawing and calculation

Task 4

In a blank panel 12 cm by 8 cm, you draw two palm baselines 6 cm apart. What is the remaining vertical space above and below the baselines if the baselines are centered?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
