Drawing an Anime Girl: Face, Hair, and Pose Construction

Original task 1 / independent drawing and calculation

Task 1

Draw an anime girl head only. Use a head height of 1 unit (hypothetical example). Place the eye line at the middle, nose line one-third down from the eye line, and mouth halfway between nose and chin. Add a hair cap and two side sections. Check that the gap between eyes is about one eye width.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Drawing an Anime Girl: Face, Hair, and Pose Construction

Original task 2 / independent drawing and calculation

Task 2

Draw an anime girl from the waist up with a simple spine curve and shoulder line. Use a head-height unit of 1 unit (hypothetical example) and make the torso about 2 units tall. Add a ribcage oval and pelvis trapezoid. Draw one arm bent at the elbow with a joint dot.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Drawing an Anime Girl: Face, Hair, and Pose Construction

Original task 3 / independent drawing and calculation

Task 3

Draw an anime girl standing with both arms relaxed at her sides. Use a total figure height of about 6 head units (hypothetical example). Mark shoulder and hip lines with a slight counter-tilt. Add joint dots at elbows and knees. Build hair as a cap plus length mass.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Drawing an Anime Girl: Face, Hair, and Pose Construction

Original task 4 / independent drawing and calculation

Task 4

Draw an anime girl sitting with one knee raised. Use a head-height unit of 1 unit (hypothetical example). Construct the pose from a spine curve, hip line, and limb lines with joint dots. Check that the raised knee joint is higher than the opposite knee. Add hair side sections that frame the face.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
