Rose Tattoo Drawing: Line and Shading Design

Original task 1 / independent drawing and calculation

Task 1

Draw a rose bloom with four outer petals and a spiral core. Use the three-weight line convention. Describe where you place the heaviest, medium, and finest lines.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Rose Tattoo Drawing: Line and Shading Design

Original task 2 / independent drawing and calculation

Task 2

A rose design has a 4 cm bloom and a 8 cm stem. The artist shades the upper left of every petal and leaves the lower right unshaded. Is the shading consistent with a single light direction? Explain.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Rose Tattoo Drawing: Line and Shading Design

Original task 3 / independent drawing and calculation

Task 3

You draw a rose with six petals packed tightly so that adjacent petal tips touch. At half size, the bloom looks like a solid circle. What change should you make, and how will you check the result?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Rose Tattoo Drawing: Line and Shading Design

Original task 4 / independent drawing and calculation

Task 4

Design a rose tattoo panel with a bloom, stem, and two leaves. State the line weights you use and the light direction. Then list two valid alternative choices that would still meet the rubric.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
