Fancy Cross Drawing: Flourishes, Borders, and Shading

Original task 1 / independent drawing and calculation

Task 1

Draw a cross 8 units tall and 4 units wide with arm thickness 1 unit. Add one C-curve flourish on the right side of the top arm and mirror it to the left. Describe how you check symmetry.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Fancy Cross Drawing: Flourishes, Borders, and Shading

Original task 2 / independent drawing and calculation

Task 2

A cross has a border offset of 1 unit on the top and left, but 2 units on the bottom and right. What is the mistake, and how do you fix it?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Fancy Cross Drawing: Flourishes, Borders, and Shading

Original task 3 / independent drawing and calculation

Task 3

You shade a cross with light from the upper right. On the top arm, the dark band is on the left edge; on the right arm, the dark band is on the top edge. Is the shading consistent? Explain.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Fancy Cross Drawing: Flourishes, Borders, and Shading

Original task 4 / independent drawing and calculation

Task 4

Design a decorative border with 12 equal segments around a cross. You place one dot per segment. If you count 10 dots, what is likely wrong, and how do you check?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
