Pen and Ink Tree Drawing: Hatching Bark and Stipple Foliage

Original task 1 / independent drawing and calculation

Task 1

Draw a trunk 4 cm wide at the base and 2 cm wide at the first branch. Light from the right. Use vertical hatch on the left and cross-hatch on the right. Check hatch line counts in a 1 cm square on each side.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Pen and Ink Tree Drawing: Hatching Bark and Stipple Foliage

Original task 2 / independent drawing and calculation

Task 2

Draw a canopy with a light side on the left and shadow on the right. Stipple two 1 cm squares: target about 10 dots on the left and about 30 on the right. Do not outline the canopy.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Pen and Ink Tree Drawing: Hatching Bark and Stipple Foliage

Original task 3 / independent drawing and calculation

Task 3

Draw a branch junction where a side branch meets the trunk. Use a heavier line on the shadow side of the trunk and a lighter line on the branch. Check that the branch angle alternates from the previous branch.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Pen and Ink Tree Drawing: Hatching Bark and Stipple Foliage

Original task 4 / independent drawing and calculation

Task 4

Render a small tree with a 3 cm base taper to 1.5 cm, light from the left, cross-hatch on the right, and stipple foliage. Check three things: taper, hatch side, and dot counts in two 1 cm squares.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
