Hand Gesture Drawing: Poses, Motion Lines, and Timed Practice

Original task 1 / independent drawing and calculation

Task 1

Draw a pointing gesture with a straight motion line. Use the palm block convention and state the direction of the motion line.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Hand Gesture Drawing: Poses, Motion Lines, and Timed Practice

Original task 2 / independent drawing and calculation

Task 2

Draw an open palm gesture with a short push arrow from the palm center. State the arrow length relative to the hand width.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Hand Gesture Drawing: Poses, Motion Lines, and Timed Practice

Original task 3 / independent drawing and calculation

Task 3

Draw a pinch gesture with a small circular motion line at the contact point. Describe where the thumb tip and fingertip meet.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Hand Gesture Drawing: Poses, Motion Lines, and Timed Practice

Original task 4 / independent drawing and calculation

Task 4

Draw a waving gesture with a curved motion line. Label the wrist point, knuckle midline, and fingertip reach, and state the arc direction.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
