Drawing a Fisherman: Pose, Net, and Boat Context

Original task 1 / independent drawing and calculation

Task 1

Draw a fisherman facing left, casting with the left hand. Use eight head units, a fan net with three radiating lines, and a boat edge below the hip line. The right hand pulls back near the hip.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Drawing a Fisherman: Pose, Net, and Boat Context

Original task 2 / independent drawing and calculation

Task 2

Draw a fisherman facing right with a cone net opening two head units wide. The net must not cover the face or the reaching forearm. Add a boat edge and a light water line.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Drawing a Fisherman: Pose, Net, and Boat Context

Original task 3 / independent drawing and calculation

Task 3

Draw a seated fisherman in a boat, casting a net to the right. Place the gunwale at or slightly above the seated hip line so the figure sits in the boat, and show the net connected to the right hand. Use a cone net with three cords. Describe the seated base with a short horizontal seat line under the hips and both feet resting on the boat floor.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

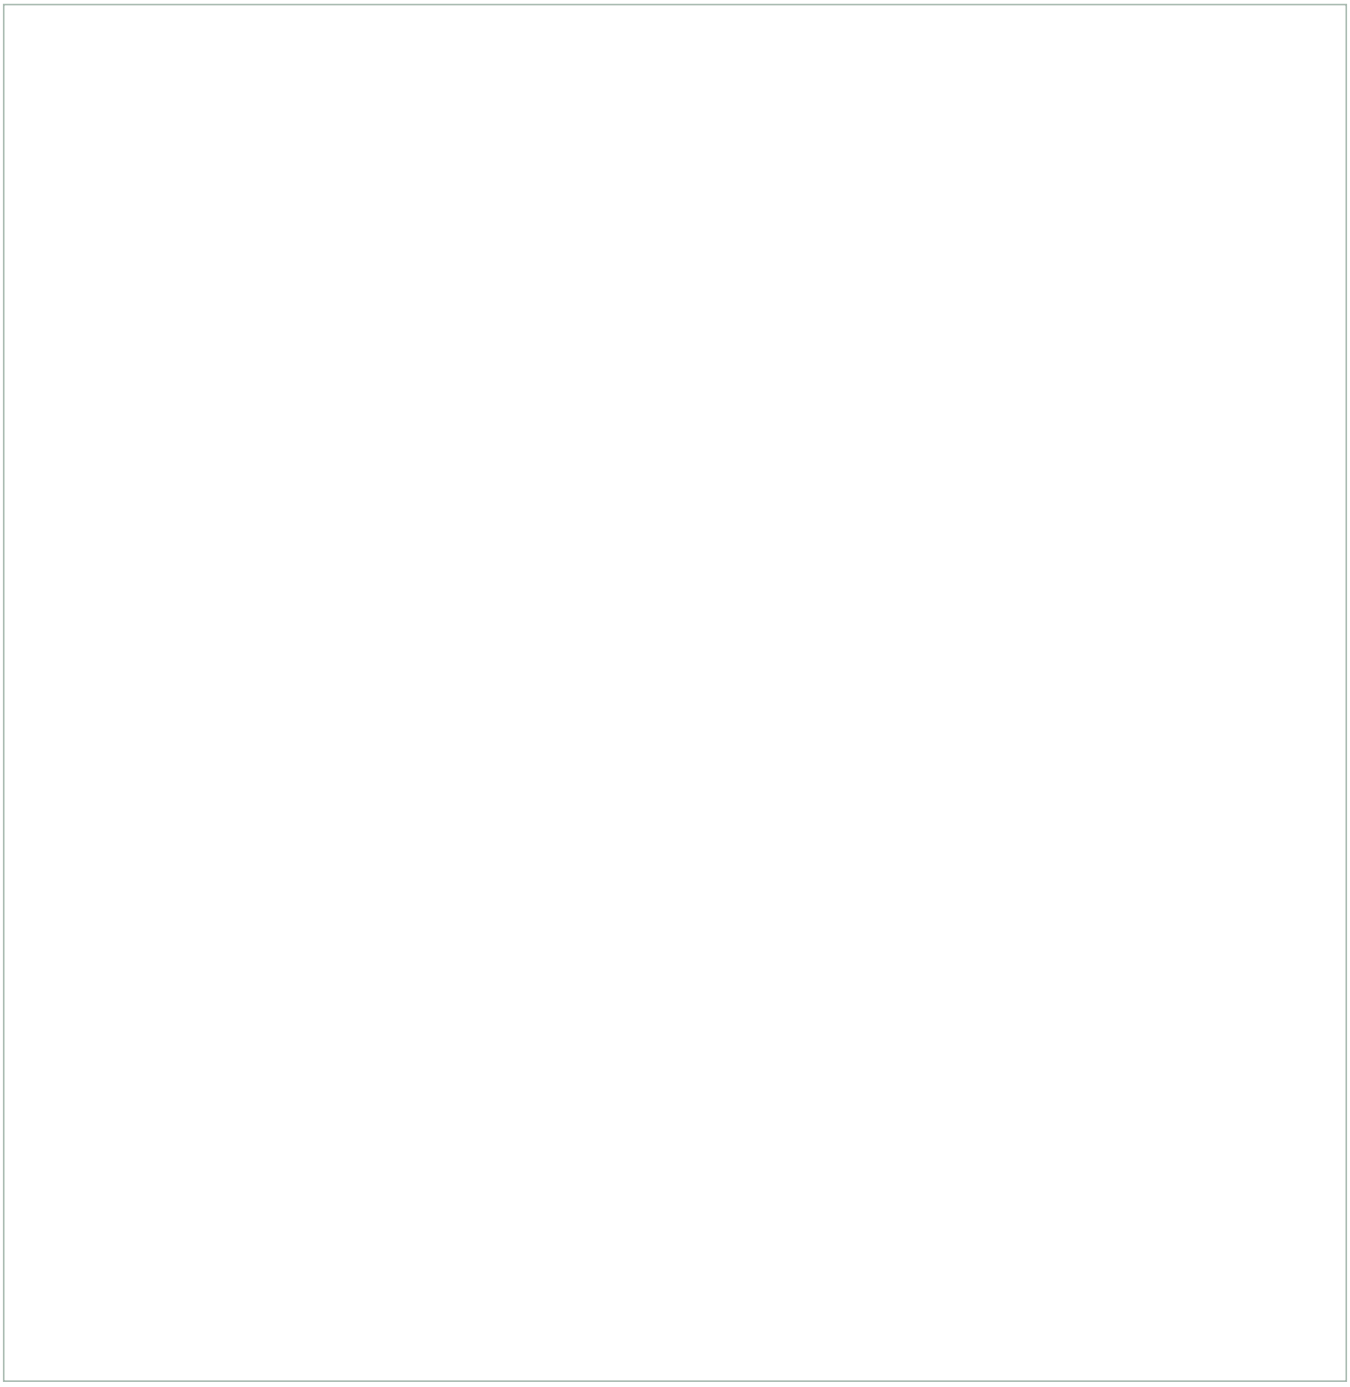

Drawing a Fisherman: Pose, Net, and Boat Context

Original task 4 / independent drawing and calculation

Task 4

Draw a fisherman facing right with a net that looks collapsed. Then redraw the net so it reads as open. Use the same pose and boat edge in both versions.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
