Hairstyle Ideas Drawing: Compare Partings, Lengths and Texture Strokes

Original task 1 / independent drawing and calculation

Task 1

Draw one head outline with a center parting and a short length guide 4 cm below the crown (hypothetical example). Sketch a tied variation with a single gathered mass and a tie mark. State your texture convention.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 2 / independent drawing and calculation

Task 2

Draw two identical head outlines side by side. On the left use an off-center parting with a long guide 12 cm below the crown (hypothetical example). On the right use the same parting but a layered variation with an upper guide at 6 cm and a lower guide at 12 cm. Label both.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 3 / independent drawing and calculation

Task 3

Sketch a loose variation with a side parting and a medium guide 8 cm below the crown (hypothetical example). Use clustered zigzag strokes for volume and write the key. Then list one change that would make it a tied variation without altering the head outline.

Original task 4 / independent drawing and calculation

Task 4

Create a comparison row of three identical outlines: loose with center parting, tied with center parting, layered with center parting. Use one stated convention. Measure and label each length guide in centimeters on your paper.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
