Prompt: Draw a face panel and a background panel on one page. Use a personal unit of 5 mm for face spacing and three background layers. Label all guides.

Answer: The face panel shows an oval head, midline, eye line at 5 mm below the top, and simple features. The background panel shows a horizon line, three overlapping shapes labeled F, M, D, and reduced detail in D. Both panels are labeled and checked with a mirror and layer-covering test.
