Winter Clothing Drawing: Coat Layers, Scarf Wrap, and Boot Folds

Original task 1 / independent drawing and calculation

Task 1

Draw a coat over a sweater on a 3 by 5 unit area. Show the sweater hem and collar, and overlap the coat by 0.5 units. Use dashed lines for hidden edges.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Winter Clothing Drawing: Coat Layers, Scarf Wrap, and Boot Folds

Original task 2 / independent drawing and calculation

Task 2

Draw a scarf wrapped once around the neck, starting at the left shoulder and crossing the chest. Use a band width of 0.4 units and show one crossing with a solid top segment and dashed lower segment.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Winter Clothing Drawing: Coat Layers, Scarf Wrap, and Boot Folds

Original task 3 / independent drawing and calculation

Task 3

Draw a boot with a 2-unit shaft and a 1.5-unit foot. Add three ankle folds spaced 0.3 units apart at the ankle and 0.6 units apart higher up. Include a flat sole line and a small shadow.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Winter Clothing Drawing: Coat Layers, Scarf Wrap, and Boot Folds

Original task 4 / independent drawing and calculation

Task 4

Combine the coat, scarf, and one boot on a 4 by 6 unit practice strip. Show the scarf on top of the coat collar and the boot top overlapping the lower leg. Use the line convention consistently.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
