Winter Clothing Drawing: Coat Layers, Scarf Wrap, and Boot Folds

Original worked example / unchanged complete key

Prompt: Draw a small winter outfit on a 4 by 6 unit practice strip: a coat over a sweater, a scarf wrapped once around the neck, and one boot with ankle folds. Use the overlap convention.

Answer: The drawing shows a torso oval 3 units tall and 2 units wide. A sweater hem crosses the lower third. The coat outline overlaps the hem by 0.5 units and has a 0.3-unit opening. The scarf band is 0.4 units wide, goes from the left shoulder across the chest, around the right neck, and back to the left; the top segment is solid at the crossing. The boot shaft is 2 units tall and 1 unit wide, with three folds spaced 0.3 units at the ankle and 0.6 units higher up. A flat sole line and small shadow complete the boot.
