Faerie Figure Drawing: Wings, Pose, and Costume Layers

Original tasks 1, 2 / independent work

Task 1

Draw a faerie in a flying pose with pointed dragonfly wings and a one-layer costume. Mark the balance line and wing roots.

Task 2

Draw a leaning faerie with lobed butterfly wings and a three-layer costume. Label each costume layer in order.

Faerie Figure Drawing: Wings, Pose, and Costume Layers

Original tasks 3, 4 / independent work

Task 3

Draw two small faerie poses on one page: one standing, one sitting. Use rounded wings for both and a two-layer costume. Keep wing roots visible.

Task 4

Draw a faerie with a cape as the outer layer. Use pointed wings and a standing pose. Show the cape hem clear of the wing roots.
