Draw an Epic Knight: Armor Layers and Stance

Original task 1 / independent drawing and calculation

Task 1

Draw a knight with feet 6 cm apart on your paper (hypothetical example; measure your own paper). The head is 3 cm above the hips. Check balance with a center line.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw an Epic Knight: Armor Layers and Stance

Original task 2 / independent drawing and calculation

Task 2

Draw a knight holding a spear. The spear should not cross the helm. Use the layer order helm, pauldron, cuirass, greaves.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw an Epic Knight: Armor Layers and Stance

Original task 3 / independent drawing and calculation

Task 3

Draw a knight with one foot forward and knees slightly bent. Check that the hips are near the center line.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw an Epic Knight: Armor Layers and Stance

Original task 4 / independent drawing and calculation

Task 4

Draw a knight with a sword. Lighten any body lines covered by armor. Check that the cuirass overlaps the top of the greaves.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
