Knob-Line Technique for Etch A Sketch Drawing

Original task 1 / independent drawing and calculation

Task 1

Draw a rectangle 12 short horizontal turns wide and 6 short vertical turns tall. Describe the sequence and how you would check it.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Knob-Line Technique for Etch A Sketch Drawing

Original task 2 / independent drawing and calculation

Task 2

Draw a stair-step curve that rises 4 vertical turns while moving 8 horizontal turns. Describe the alternation and a check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Knob-Line Technique for Etch A Sketch Drawing

Original task 3 / independent drawing and calculation

Task 3

You have drawn a house outline and a door, but the door is too far left. Describe a correction that does not retrace lines.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Knob-Line Technique for Etch A Sketch Drawing

Original task 4 / independent drawing and calculation

Task 4

Describe an erase sequence for a screen with a dark patch in the lower-right area. Include at least three steps and a check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
