Simple Bread Drawing: Loaf Shapes and Slice Shading

Original tasks 1, 2 / independent work

Task 1

Draw a round loaf on a plate with one wedge cut. Shade the wedge cut face lighter than the crust.

Task 2

Draw an oval loaf with three parallel slice lines. Shade only the middle cut face and leave the others unshaded.

Simple Bread Drawing: Loaf Shapes and Slice Shading

Original tasks 3, 4 / independent work

Task 3

Draw a small roll with one slice line and add crust texture using short broken marks. Keep the cut face lightest.

Task 4

Draw three loaves (round, oval, roll) on one plate. Use the value convention and add one score line to each loaf.
