Draw a Cheetah: Spot Pattern, Slender Body, and Pose

Original worked example / unchanged complete key

Prompt: Draw a standing alert cheetah in side view using head length as one unit. Body length 4.5 units, leg height 2 units, three spot rows, and two tear lines per eye.

Answer: A side-view cheetah with a small head, deep chest, narrow waist, long tail, vertical legs, separate round spots in three rows, and tear lines. The drawing scores at least 3 on each rubric row.
