Draw a Mustang GT: Body Proportions and Grille Detail

Original tasks 1, 2 / independent work

Task 1

Draw a side-view proportion guide using 1 unit = 3 cm. Total length 4.5 units, hood 1.2 units, cabin 1.5 units, rear 0.8 units. What is the length of each section in cm?

Task 2

In a front view with width 1.8 units and grille width 1.0 unit, how much space remains on each side of the grille if it is centered? Use 1 unit = 2 cm and give answers in cm.

Draw a Mustang GT: Body Proportions and Grille Detail

Original tasks 3, 4 / independent work

Task 3

A side view has wheel centers 1.0 cm from front and 1.0 cm from rear, with total length 9 cm. What is the distance between wheel centers?

Task 4

You draw a grille 1.0 unit wide and 0.4 units tall. Using 1 unit = 2.5 cm, what are the grille dimensions in cm, and what is its area in cm^2?
