Drawing a Native American Figure: Pose, Regalia Layers, and Simple Construction

Original task 1 / independent drawing and calculation

Task 1

A standing figure uses a 16 cm tall guide divided into eight equal segments. Find the segment length and the shoulder position at 1.5 segments from the top.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 2 / independent drawing and calculation

Task 2

On a 24 cm tall guide divided into eight segments, place a raised-arm pose. The shoulder is at 1.5 segments, the waist at 3.5, and the elbow should be near the waist. Give the shoulder and waist distances from the top and one check for the raised hand.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 3 / independent drawing and calculation

Task 3

A 20 cm standing-figure guide is divided into eight segments. Draw the body construction and leave clothing undecorated. State which parts should be checked before any source-led clothing contours are considered.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 4 / independent drawing and calculation

Task 4

A proposed drawing combines a generic feather headband, a ceremonial mask, and clothing details from several unrelated Native communities. Identify the problem and give a respectful revision plan while keeping the standing pose.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
