Draw an Anime Romantic Two-Figure Scene with Framing

Original tasks 1, 2 / independent work

Task 1

A 20 cm by 28 cm sheet has a shared ground line at 24 cm from the top. Figure A center line is 7 cm from the left; figure B center line is 12 cm from the left. Each head height is 3 cm from crown to chin. What is the horizontal distance between center lines, and how many head units tall is a four-head figure?

Task 2

A framing box is 16 cm wide and 20 cm tall. The eye midline is placed 6.5 cm from the top. What is the distance from the eye midline to the bottom of the box? If the box is centered on a 20 cm wide sheet, what is the left margin?

Original tasks 3, 4 / independent work

Task 3

Two figures share a ground line. Figure A leans right and its outer edge is 3 cm from the right edge of the framing box; its outer edge is 6 cm from the left edge. Which side has more negative space, and by how much?

Task 4

A figure is planned as five head units tall. Each head height is 2.5 cm from crown to chin. The shared ground line is 16 cm from the top of a 28 cm sheet. Does the figure fit above the ground line without crossing the top edge? Show the arithmetic.
