Draw a Hugging Pair: Arm Wrap, Torso Contact, and Head Tilt

Original task 1 / independent drawing and calculation

Task 1

On a 15 cm by 20 cm sheet, draw two torso ovals that overlap by 1 cm inside a 2 cm contact zone. Label the zone width and overlap in centimetres.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Hugging Pair: Arm Wrap, Torso Contact, and Head Tilt

Original task 2 / independent drawing and calculation

Task 2

Draw one wrapping arm from a left shoulder across a 3 cm contact zone to the far side of a right torso. Add a simple hand shape and label the arm's crossing point.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Hugging Pair: Arm Wrap, Torso Contact, and Head Tilt

Original task 3 / independent drawing and calculation

Task 3

Draw two head axes 10 cm apart. Tilt the left axis 10 degrees right and the right axis 10 degrees left. Label both angles and check that the faces do not collide.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Hugging Pair: Arm Wrap, Torso Contact, and Head Tilt

Original task 4 / independent drawing and calculation

Task 4

Combine the previous three exercises into one hugging pair on a 20 cm by 25 cm sheet. Use a 3 cm contact zone, 1 cm overlap, and 12 degree head tilts. Then redraw the pair from a side view in a blank panel.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
