Icing Drawing: Piping Lines and Swirl Practice

Original task 1 / independent drawing and calculation

Task 1

Draw a straight icing line 4 cm long and a second line 6 cm long. Check that both have even width.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Icing Drawing: Piping Lines and Swirl Practice

Original task 2 / independent drawing and calculation

Task 2

Draw a zigzag along an 8 cm baseline with four peaks spaced 2 cm apart, placing a valley halfway between each pair of adjacent peaks.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Icing Drawing: Piping Lines and Swirl Practice

Original task 3 / independent drawing and calculation

Task 3

Inside a 6 cm circle, draw a swirl with three loops starting from the center.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Icing Drawing: Piping Lines and Swirl Practice

Original task 4 / independent drawing and calculation

Task 4

On a 10 cm cake-top panel, combine one central swirl, two zigzag borders, and straight connecting lines.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
