Prom Drawings: Compose Dancers, Decorations, and Hall Depth

Original task 1 / independent drawing and calculation

Task 1

Plan a hall layout on A4 paper with a horizon at mid-page and a trapezoid floor with near edge 16 cm and far edge 9 cm. Mark three depth bands and write your chosen near and far figure heights.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Prom Drawings: Compose Dancers, Decorations, and Hall Depth

Original task 2 / independent drawing and calculation

Task 2

Sketch five dancers using the stick-and-oval convention: two near at your near height, two middle at about three-quarters of near height, and one far at your far height. Stagger positions and include one overlap.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Prom Drawings: Compose Dancers, Decorations, and Hall Depth

Original task 3 / independent drawing and calculation

Task 3

Add decorations to your scene: a far-zone balloon arch using small circles, ceiling streamers using curved lines, and two near-zone balloons at larger sizes. Ensure no decoration covers a face or pose line.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Prom Drawings: Compose Dancers, Decorations, and Hall Depth

Original task 4 / independent drawing and calculation

Task 4

Self-check your prom drawing with the rubric. Measure two near and two far figures, confirm one overlap and one far-zone decoration, and note one improvement.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
