Draw and Label a Horse Spur: Rowel, Shank, and Heel-Band

Original task 1 / independent drawing and calculation

Task 1

Describe how to draw a side-view spur with a 3-unit heel-band, a 5-unit shank, and a 2-unit rowel. State where each of the three labels goes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw and Label a Horse Spur: Rowel, Shank, and Heel-Band

Original task 2 / independent drawing and calculation

Task 2

A drawing shows a closed circle labeled heel-band, a shank attached to its top, and a rowel at the shank's middle. List two errors and give a fix for each.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw and Label a Horse Spur: Rowel, Shank, and Heel-Band

Original task 3 / independent drawing and calculation

Task 3

You have a 4-unit shank and a 2-unit rowel. If the rowel is centered at the shank tip, how far is the rowel's center from the shank's starting point? Show the arithmetic.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw and Label a Horse Spur: Rowel, Shank, and Heel-Band

Original task 4 / independent drawing and calculation

Task 4

A learner's rowel leader line ends 1 unit from the wheel, the shank leader line touches the arm, and the heel-band leader line ends 2 units from the band. Which label fails the convention, and what is the fix?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
