Realistic Apple Tree Drawing: Fruit, Leaves, and Bark Shading

Original task 1 / independent drawing and calculation

Task 1

Sketch a trunk 12 cm tall on paper. Draw three main branches, each forking once. Make the trunk 1.5 cm wide at base and 1 cm wide at the first fork. Check that branch thickness decreases.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Realistic Apple Tree Drawing: Fruit, Leaves, and Bark Shading

Original task 2 / independent drawing and calculation

Task 2

On a 10 cm by 10 cm area, place two fruit groups of two apples each. Draw a short stem from each apple to a twig and add five leaf shapes around each group. Vary apple sizes slightly.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Realistic Apple Tree Drawing: Fruit, Leaves, and Bark Shading

Original task 3 / independent drawing and calculation

Task 3

Draw a 10 cm tall trunk section. Shade the left side with short curved strokes and leave the right side lighter. Add three irregular cracks. Mark your light direction with an arrow.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Realistic Apple Tree Drawing: Fruit, Leaves, and Bark Shading

Original task 4 / independent drawing and calculation

Task 4

Combine your trunk, branches, fruit groups, and leaf clusters into one drawing on 15 cm by 20 cm paper. Use three fruit groups of two apples each. Check that every apple connects to a twig and every leaf cluster overlaps a twig.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
