Draw Henna-Style Vine and Petal Line Patterns

Original worked example / unchanged complete key

Prompt: On a 10 cm straight guide line, draw a vine spine with three branch points spaced 2 cm apart, add one petal at each branch alternating sides, and place a three-dot cluster between the first and second branch.

Answer: A continuous slightly wavy line along the guide with branches at 2, 4, and 6 cm. Petals 1 cm tall on left, right, left, extending up to about 1 cm from the guide. Three dots spaced 3 mm apart centered between the 2 cm and 4 cm marks. All marks lie within 1 cm of the guide.
