Draw Celtic Interlace Bands and Spiral Motifs: Over-Under Construction

Original task 1 / independent drawing and calculation

Task 1

Draw one band that crosses another band three times. Mark the first crossing as over on the left-to-right band. Continue alternating along that band and state the pattern.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Celtic Interlace Bands and Spiral Motifs: Over-Under Construction

Original task 2 / independent drawing and calculation

Task 2

Construct a spiral with a hypothetical step of 4 mm. Place center and outward points at 4 mm, 8 mm, and 12 mm. After drawing, measure two gaps between turns. What should you expect, and what would you adjust if one gap is 6 mm?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Celtic Interlace Bands and Spiral Motifs: Over-Under Construction

Original task 3 / independent drawing and calculation

Task 3

In a blank band frame, plan two bands that cross twice. At the first crossing the top-to-bottom band goes over. At the second crossing the left-to-right band goes over. Describe the ticks and the alternation on each band.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Celtic Interlace Bands and Spiral Motifs: Over-Under Construction

Original task 4 / independent drawing and calculation

Task 4

A student draws a band with four crossings and marks them over, over, under, under along the same band. Identify the error and give a corrected pattern that still starts with over.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
