Face Gesture Drawing: Quick Sketches of Expression and Head Tilt

Original tasks 1, 2 / independent work

Task 1

Sketch a face with an upright tilt and a happy expression. Use a raised brow cue and an upward mouth curve.

Task 2

Sketch a face with a slight left tilt and an angry expression. Use lowered brows and a downward mouth curve.

Face Gesture Drawing: Quick Sketches of Expression and Head Tilt

Original tasks 3, 4 / independent work

Task 3

Sketch a face with a slight right tilt and a sad expression. Use one brow raised and a mouth curve turning down.

Task 4

Sketch a face with an upright tilt and a neutral expression. Use level brows and a straight mouth line.
