Cartoon Kitty Drawing: Ears, Whiskers, and Tail Shapes

Original task 1 / independent drawing and calculation

Task 1

Draw a cartoon kitty with tall triangle ears, four whiskers per side, and a tail that sweeps low to the right. Use a head circle and body oval. Keep eyes about one x-height apart.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Cartoon Kitty Drawing: Ears, Whiskers, and Tail Shapes

Original task 2 / independent drawing and calculation

Task 2

Draw a cartoon kitty with short wide ears, three whiskers per side, and a gentle S-curve tail. Place the nose below the horizontal midline and the mouth curve under the nose.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Cartoon Kitty Drawing: Ears, Whiskers, and Tail Shapes

Original task 3 / independent drawing and calculation

Task 3

Draw a cartoon kitty with one ear tilted outward and the other upright, five whiskers per side, and a tail that curls upward. Keep whisker lengths similar on both sides.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Cartoon Kitty Drawing: Ears, Whiskers, and Tail Shapes

Original task 4 / independent drawing and calculation

Task 4

Draw a cartoon kitty with rounded ears, three whiskers per side, and a tail that curves to the left. Add a simple mouth curve and check that the eyes are level.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
