Character Face Drawing: Proportion Grid and Expression Variants

Original task 1 / independent drawing and calculation

Task 1

A face has 1H equal to 16 cm. Calculate the height from the top for the eye line, nose line, and mouth line using the lesson fractions.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Character Face Drawing: Proportion Grid and Expression Variants

Original task 2 / independent drawing and calculation

Task 2

A student places the eyes 3 cm apart and each eye is 2 cm wide. Using the one-eye-width gap convention, what is the total width from the outer edge of the left eye to the outer edge of the right eye?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Character Face Drawing: Proportion Grid and Expression Variants

Original task 3 / independent drawing and calculation

Task 3

Describe how to change a neutral face into a surprised face using the grid, and state one feature that must stay fixed.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Character Face Drawing: Proportion Grid and Expression Variants

Original task 4 / independent drawing and calculation

Task 4

A worried variant angles the inner brow ends upward and curves the mouth downward. If the mouth line is at 8.3 cm from the top on a 10 cm face, what is the distance from the mouth line to the chin?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
