Devil Wolf Drawing: Horns, Wings, and Snarl

Original task 1 / independent drawing and calculation

Task 1

On plain paper, draw only the head and horns of a devil wolf. Use a light circle 6 cm across as a hypothetical example. Draw two tapered horns from the top of the circle, each about 4 cm along the outer arc. Check that horn lengths differ by no more than 1 cm.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Devil Wolf Drawing: Horns, Wings, and Snarl

Original task 2 / independent drawing and calculation

Task 2

Draw a body rounded rectangle two head heights tall, where the head height is 5 cm. Add bat-style wings behind the body. Each wing has a leading edge, three finger struts, and scalloped trailing edges. Check that the body overlaps the wings.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Devil Wolf Drawing: Horns, Wings, and Snarl

Original task 3 / independent drawing and calculation

Task 3

Draw a snarling wolf face only. Use an eye line, two tilted almond eyes, angled brows, a mouth curve wider than the muzzle base, a raised upper lip line, and small even teeth. Check that the snarl reads when you cover the rest of the page.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Devil Wolf Drawing: Horns, Wings, and Snarl

Original task 4 / independent drawing and calculation

Task 4

Combine your head, horns, wings, body, and snarl into one devil wolf. Erase light guides and draw final contours dark and continuous. Add short fur tufts at cheeks and shoulders. Check the whole drawing at arm's length for clear horns, wings, and snarl.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
