Food Fight Drawing: Compose Flying Produce, Splatter Lines, and Expressions

Worked example / complete source key

On an 18 cm by 12 cm frame, place a focal tomato at the one-third focal point, a carrot behind it, and a lettuce head small in the foreground. Add three tapered splatter lines per item and two expression cues.

Answer: The tomato is largest and darkest, with three lines whose wide ends touch it and narrow ends point to a dot at the left edge. The carrot is medium and tilted 30 degrees, with two lines. The lettuce is small and low, with two short lines. The left character has angled eyebrows and a straight mouth; the right character has raised eyebrows and an open oval mouth facing the tomato. The flight path stays clear.
